About Chapel Hill Church

Chapel Hill Presbyterian Church is a vibrant and growing evangelical church, full of caring people. Our mission as a church is working together to present everyone mature in Christ. We average about 1,300 in worship on Sunday mornings in two services with different worship styles. The church website is: www.chapelhillpc.org.

About Chapel Hill Student Ministries

Our desire is to connect every student to Christ and His community for a lifetime. At the Hill (high school) and Extreme (middle school), we take the time to dig into the Bible, worship, serve those in need, connect in small groups, play and have fun together. Our goal is to meet middle and high school students right where they are and encourage them to grow in their relationship with Jesus. We want to invite students to get out of what is comfortable and wrestle with their questions about what God has to say about life and how it is best lived. We believe that faith is both formed and deepened in the context of authentic relationships - with God and one another - so we surround students with caring adult and student leaders. We want students to know the God who made them and the immense hope and joy that the Gospel has to offer. Check out the High school website: www.chapelhillyouth.org/hs. and the middle school website: middleschool.chapelhillpc.org.
