About Chapel Hill Student Ministries

Our desire is to connect every student to Christ and His community for a lifetime. At Extreme (middle school) and the Hill (high school), we take the time to dig into the Bible, worship, serve those in need, connect in small groups, play and have fun together. Our goal is to meet middle and high school students right where they are and encourage them to grow in their relationship with Jesus. We want to invite students to get out of what is comfortable and wrestle with their

questions about what God has to say about life and how it is best lived. We believe that faith is both formed and deepened in the context of authentic relationships - with God and one another - so we surround students with caring adult and student leaders. We want students to know the God who made them and the immense hope and joy that the Gospel has to offer.
